Name of the program

Program called **Master of Science in Computer Science** field.

Students have the opportunity to negotiate a programme of learning that is tailored to their own career goals and requirements.

About University

Tiny bit of information about University College Dublin

- one of Europe's leading research-intensive universities
- high ranking of paper in the international literature
- UCD's 14 subjects are ranked in the TOP-100 in the world
- most globally engaged university with over 30,000 students drawn from 136 countries

Amount of students compared to local

Foreign
19,0%

Remote learning
9,0%

Local
72,0%

Curriculum

Learning plan consists of a diverse cross-section of modules offered by UCD's Schools:

- UCD School of Computer Science
- UCD School of Business
- UCD School of Maths & Statistics
- UCD School of Information & Communication Studies

Duration of studying

This course offers two entry routes:

Entry route name	Attendance type	Duration
MSc Computer Science (Negotiated Learning) FT (T150)	Full Time	1 year
MSc Computer Science (Negotiated Learning) PT (T151)	Part Time	2 years

Requirements to an applicant

There is also some restrictions for those who can apply for what:

Attendance option	Suitable for
Full time	Both domestic and international applicants
Part time	Domestic applicants only

Fee

For most courses you must pay a €50 application fee.

Name of course	Type of attendance	Enrolment fee
MSc Computer Science (T150) for EU	Full time	€ 7285 / per year
MSc Computer Science (T150) for International	Full time	€ 25600 / per year
MSc Computer Science (T151) for EU	Part time	€ 4370 / per year
MSc Computer Science (T151) for International	Part time	€ 12800 / per year

Housing system

UCD campus is very big and well developed

Thanks
for Your attention
